Your Exam & X-Rays

Your visit is thorough but never rushed. Once you're comfortably seated in the dental chair, our team will guide you through each step of your exam:

- Comprehensive dental exam with the doctor
- Digital X-rays (only if needed)
- Intraoral photos
- Digital scanning for a detailed view of your smile

To help you get the most out of your visit, we kindly encourage limiting phone use during your exam so you can give the doctor your full attention and feel confident and clear about your care.

We take time to explain everything so you always feel informed, comfortable, and supported.
